NEWSLETTER CONTEST GUIDELINES

RSES offers prizes in two categories of newsletters—the first category is the printed newsletter, and the second category is the electronic newsletter. There will be a first place winner and a second place winner in each category.

The first place prize in each category is a $100 RSES merchandise certificate, or one year paid dues. The second place prize in each category is a $50 RSES merchandise certificate. Each winner also will receive a plaque.

Contestants must mail/e-mail three separate entries within a period extending from June to June of the contest year. The entries do not have to be from consecutive months, but must be within the designated 12-month period to qualify (example: June 2011 to June 2012). There are no restrictions on the size of the newsletter in terms of a minimum number of pages to qualify.

Judging of the winners will be the responsibility of the current Awards Committee. All decisions will be final. Judging by the Awards Committee will be based on the quality and accuracy of the content, the design (readability) of the newsletter, and such details as spelling and use of grammar. Prizes will be awarded only if the entries meet the criteria listed.
