Vocational Instructor/School Award

This Award will be presented annually to a Vocational Educational Instructor teaching in a secondary or post-secondary institution, or to a School (secondary or post-secondary) with an exceptional HVACR program during the past year.

Instructors:

• The individual nominee (Instructor) should be an RSES member.

• The nomination for the award can come from an RSES member, RSES Chapter, past or present student of the Instructor, or staff member of the Instructor’s school, as long as proper documentation is provided.

• The Instructor should have graduates who are well regarded and in high demand.

• The Instructor should have a good rapport with students.

• The Instructor should provide a program of exceptional quality—i.e., proper labs, field trips, outside guest speakers ("experts").

• The Instructor has pursued continuing education, attending seminars that are provided by manufacturers, universities, RSES, etc.

• The Instructor should live up to the RSES Mission Statement: “To provide opportunities for enhanced technical competence by offering comprehensive, cutting-edge education and certification to our members and the HVACR industry. To advance the professionalism and proficiency of our industry through alliances with other HVACR associations.”

Schools:

• The School nominated should be an RSES corporate member.

• The School should have graduates who are well regarded and in high demand.

• The School should provide a program of exceptional quality—i.e., proper labs, field trips, outside guest speakers (“experts”).

• The School should live up to the RSES Mission Statement: “To provide opportunities for enhanced technical competence by offering comprehensive, cutting-edge education and certification to our members and the HVACR industry. To advance the professionalism and proficiency of our industry through alliances with other HVACR associations.”

All entries must be postmarked by midnight, June 30th (no exceptions).
