The “Sight Glass” is a publication that keeps RSES Auxiliary members up to date on officers and chapter activities. With the support of our advertisers we are able to publish three issues a year and offer them to our members for $10.00 a year. There are three Ad sizes offered now; a business card size for $100; a half page for $200; or a Full page AD for $300. Checks are to be made out to RSESA Treasurer and mailed to; Karen Krepcik, Sight Glass Editor at 3308 Dominion Ave, Norfolk, Virginia 23518.
Hello Everyone,

We’ve really had a busy Spring here in North Carolina. All the flowers bloomed earlier than normal and the strawberry season came earlier, also. Yum!! In March, we went to Round Rock, Texas for the SWRA Conference. It was a wonderful trip. They really put together a great conference. We hope to visit them again in the future. We took a trip to the beach at the end of March. We also took a bus trip to The Greenbrier Resort in West Virginia with some friends. It has an underground bunker that was built during the Cold War era to house the President, Vice-President and Congress in the event of an attack. It was never used for that purpose and is now offered as a tour option at the resort. I am definitely my Mother’s child, I have to get outside and work. She is 87 and still mows her yard and I hope I can say the same at that age. We have been really busy cleaning up storm debris, mowing grass, pruning shrubbery, cutting wood, etc. but still make time to play with Vegas and Tyler. Vegas is in dance class one day a week and goes to day care 3 days. Tyler is not in day care and loves to spend mornings with Memaw and Gaga. They are so much fun and oh the questions they ask now. I have been doing a little catch up work on my genealogy project. We have played music at several events so far this year. Some for senior citizens, some for church, played for a wedding, and played and sang for a fundraiser at a drug and alcohol rehab center. Hope everyone has a wonderful summer. Do something outside, it’s good for the soul.

Gail Paschal, International Vice-President

Be sure to submit your nominations for the Awards “Make Life Worthwhile”

Did you know… In the Twelfth century Men were the first to wear the apron as hygienic, protective wear.
Hello from sunny Lake Havasu,
Spring break is in full swing here with the usual complaints from the locals about crowds, misbehaving college students etc although they love the money they spend. Overall the spring break crowds are much less of a problem than the snowbirds who just left according to the police blotter in the local paper. That’s what we get for having great weather all year, luckily the two crowds like two different seasons or we could be in real trouble.

We had fun seeing everyone again in Norfolk. Skip, Karen and their team did a great job. Thanks to them and RSES Staff for all your hard work.

Since returning we have been busy with our granddaughter Lyndsey who is a great swimmer competing for the Lake Havasu Stingrays. We have just completed regional finals (a bronze medal in 50 yard freestyle) and state finals where she did well for her first state competition. In between the regional & state finals we were in Texas for the Southwest Region Conference. We had a wonderful time and got to see our Texas friends and a few they have acquired or adopted. (Ray, John & May)

Next week we’re off to Phoenix for our CARSES Regional Conference. Then its off to Las Vegas for the first swim meet of the Long Course Swim season.

Now for a little RSESA business, as director of Officer’s activities is my job to prepare the President’s scrapbook. Being a two time past president I have really enjoyed reviewing the memories in both of my books and I know that Pat has enjoyed hers also. Please send me any pictures you have from your conferences if Pat visited you and a letter from yourself to be included. You do not have to be a member of the Board to send an item for her book. You may email them to me at boblyn2@aol.com or mail them to me at 2742 Kathleen St, Riverside, CA 92506. I look forward to hearing from you.

Hope all of you have survived the bad weather and are now on track for Spring and Summer as well as making plans to go to Charleston in November.

FROM MAY STEWART, Secret Pal Postmistress

Thank you to all participants of the Secret Pal project who have sent me your cards. So far we are up to date.

John and I attended the SWRA conference at the beginning of March in Round Rock, Texas. This was a well attended seminar, so well in fact that for a couple of the programs all seats were filled! John was not able to attend one of the seminars due to the lack of room but it was a bit gratifying to see so many young participants there. Also, the exhibits were well displayed and attended.

Unfortunately John caught some Texas "bug" and has been battling this cough for several weeks now, but he is improving thank goodness. Perhaps the next time he will listen to his wife and get the medication prior to the trip. What was sort of odd though was that he called his doctor's office for an appointment as soon as we arrived home and then it was cancelled because the doctor became ill!

It was great to see so many members at the conference and renew "old" acquaintances, the emphasis not being on our ages but long-time friends. Thanks for all who organized the conference, if I mention some I will leave out others and then feelings will be hurt!

May Stewart

RSESA-11
Hello to all from sunny, warm Texas. The weather has been so crazy in Texas and the mid-west the last few weeks. We were very lucky in my neighborhood that the tornadoes missed us. One tornado was headed our way but turned a little to the right and hit Arlington and did so much damage. Now I hear the mid-west really got hit hard this past week. I hope all of our members and their families are OK. The scary part is that we still have at least another month of really stormy weather ahead of us. Hopefully the worst is over for a while.

Since last issue, I attended my own region conference (SWRA) in Round Rock, TX (close to Austin). We had a great time and we were very lucky to have a lot of guest that attended the conference. Let me see, if I remember be all of their names. Linda and Fred Townsend from CA, Lyn and Bob Sherman from AZ, Gail and Tommy Paschal from NC, Larry Donaldson from FL, Barbara Frase from FL, Ray Clary and his parents Mary and Thornton Clary from VA, and May and John Stewart from MD. We always enjoy our guest at SWRA and I hope you will all return again to see us. We always have a lot of help with baking the desserts from Jill Campbell. She is a great asset to our auxiliary and I have plans for her, I just have to get her to start coming to International. Thanks for Ray Clary we were able to sneak a few things from Mac’s past to help her. What a treat!

A week later we left Texas and drove in the worst rain possible on Interstate 30 to Tunica, MS. We stayed 2 nights at the Harrah’s casino. This was a great casino. One of largest non-smoking areas I’ve seen in the US and the machines paid off! I didn’t win a lot but I won. On Thurs morning we drove to the hotel where the Mid-West Region had their conference. I really enjoyed the conference and they didn’t make me work! On Friday we visited a Tea room where we had a special treat. What a lovely house and the lunch was so very good. I sure can’t wait to attend the conference next year!
Imagine a bunch of ladies showing up at my son's house for lunch. She was such a great hostess and I hoping one of the Mid-West sends in an article with her name. (As you all know the first thing to go is memory when we get older) Not only did the young lady make lunch for eleven ladies, she ran a St. Patrick's day race that morning and she has a baby due in August. (To be that young again) I then was honored to swear in the new officers for 2012. Oh yes, before going to lunch, we went to the Ronald McDonald house for a visit and dropped off a lot of items for the house given by the members. I just want to let all the Mid-West members know how much Mac and I enjoyed ourselves. I hope to go back next year.

I don't know if I will get to attend another area conference. For one thing, no one has invited me, so sad. Now our business has picked up so I couldn't go to another until Sept or Oct. I sure would like to have gone to another conference but I have really enjoyed the two I was able to attend.

Here is April, today was the last day to file out 2011 taxes, now maybe we can settle down for the work ahead for the summer. Our business has picked up finally. Really a little early this year as it turned warmer a little earlier than normal. Some say this means a hot, hot summer. I would like to see it hot enough for business to be good but not hot enough to make all of us miserable.

Time for us to begin thinking of the next year for the Auxiliary. I think Ray Clary says it very well in his article (please read) I plan on contacting the conference chair lady and see what is in the area for our support as we do each year at the conference. I also am wondering if we want classes to Thursday or Friday or if we just want to be tourist this time as the hotel is going to have a shuttle on Thursday, Friday and Saturday for us to go into the town of Charleston. I understand there is much to see and do in the area. What do you think, members? Please start making plans to attend, I know November is a long way off but it will be here before we realize it. I would love to see a really good turn out in Charleston. Norfolk was such fun and I do really enjoy seeing all the auxiliary members and spouses and friends at the International Conferences. The older I get, the more important that is to me!

Stay well, until next issue

*Pat McCarthy, International RSESA President*
The important use of aprons was to protect the dress underneath, it was easier to wash aprons than dresses since they used less material, but along with that, it served many duties as well. In the Nineteenth century Cooks began turning the apron to hide the stains before washing. On the farm the apron was used for carrying all sorts of vegetables from the garden, to hold apples that had dropped from the trees and even used to carry eggs gathered from the hen house. Aprons were used as a potholders for removing hot pans from the oven. And when in need to wipe away tears from a small child.

Even George Washington wore an apron on occasion.
No Bake Cookie Contest

Onlookers wait anxiously to test the finished products!

Using no recipe these gals came up with some great tasting cookies. Having limited ingredients and just a few supplies to share, I think that there were definitely some prize winning cookies created at the No Bake Cookie Contest on Thursday afternoon at the International Conference held at Norfolk, VA!

Making History in Norfolk, Virginia

Although these guys did not participate in the cookie contest, they were prepared as always for kitchen duty following the close of the hospitality room in the evenings.

A special thanks, for all you do whether it’s at International or Regional. We appreciate your HELP!!!

Wow, I can’t believe it is time to write another article for the Sight Glass. It seems as if I just wrote one, oh yeah, that was three months ago. Well, we are on the road again, and as always this seems like the best time for me to stop and write my article. As Keith and I drive west to our daughter’s home in Rapid City, SD we have our eyes to the sky because there are Severe Storm and Tornado Watch/Warnings, issued. It appears to be the nature of the Spring season in the Midwest and some pretty awesome skies.

We are headed West because we get the privilege of taking care of our granddaughter, Elliana for 5 days while her parents are on a cruise that Nikol qualified for through Pampered Chef. I hope we are ready to babysit a 20 month old. It has been a long time since we had a little one and the first time for Elliana to be away from her Mom for any longer than a few hours.

Our grandsons are growing so fast and they would spend all of their time outside if they could. Baby Brayden is already trying to keep up with big brother Brice. Brice is helping plant a garden and he also has some baby chicks to help care for.

Treasurer Information -- I would like to apologize for all that did not receive their membership cards in a timely manner after paying dues either at Conference or when they were mailed to me. I had prepared several for mailing and during one of my paper shuffles the letters were misfiled. Hopefully, by the time this article is published all have received their cards. If you haven’t received yours please send me an email. Also I will be mailing out reminder postcards within the next few weeks to members that we haven’t heard from in the last two years.

Be sure to submit your nominations for the Awards “Make Life Worthwhile”
With the postage fees continuing to rise, I am wondering how many of the membership would be just as happy receiving the Sight Glass as a PDF via email. I for one would rather receive mine in this matter and then maybe we could use our funds in assisting members attend International. What do you think??? Let us on the Board know your thoughts.
Till the next time – Denise Z

Denise Ziegelbein, RSESA International Treasurer

The following RSES members passed the CM exam and were awarded CM status: Lawrence G. Kauffmann, CM, of the Cowtown Chapter, Fort Worth, Texas; Andrew C. Thompson, CM, of the San Gabriel Chapter, Georgetown, Texas; Allen Smith, Jr., CM, of the Greater Chicago Chapter, Chicago; Perry E. Anderson, CM, of the Central Arizona Chapter, Phoenix; and Louis E. Pajdak, CM, of the Camden Chapter, Camden, N.J.

The following RSES members passed a CMS exam and were awarded CMS status: Jaroy A. Roberts, CMS, of the Permian Basin Chapter, Odessa, Texas and Mark L. Wood, CMS, of the Red River Chapter, Fargo, N.D., passed the CMS exam in HVACR Electrical; and Burt Wallace, CMS, of the Rose City Chapter, Tyler, Texas and Jeff D. Kukert, CMS, of the Red River Chapter, Fargo, N.D., passed the CMS exam in Domestic Service.

John Clark will be celebrating his 90th Birthday in June
Cards of congratulations will reach him at; 809 Honeysuckle DR.
Olathe, KS 66061
RSESA 70th Annual Conference
General Business Meeting – Norfolk, Virginia
November 4, 2011

The meeting was called to order at 9:49 am by President Holly Friedman.

Historian, Barbara Frase led us in the RSESA prayer and The Pledge of Allegiance. The Canadian and American National Anthems were presented.

Roll call was taken. All were present, with the exception of Bonnie Johnson and Irene Thompson, who were excused.

Conference Chairlady, Karen Krepcik, welcomed everyone and reported on the events of the conference.

President Friedman welcomed members and guests who were present, recognizing Past Presidents and first time attendees.

President Friedman announced that Paul Winberry would serve as Parliamentarian for this meeting.

Denise moved to accept the minutes from the 2010 General Business Meeting. Sandy Ralston seconded. Motion carried.

Sandy Ralston moved to accept the Treasurer’s report as presented by Treasurer Ziegelbein. Barbara Frase seconded. Motion carried.

The Auditing Committee reported that the Treasurer’s books were in balance and excellent form.

The Nominating Committee presented a partial slate of officers. They have not found anyone for Sergeant At Arms.

The Credentials Committee reported that five chapters are represented and nine members at large are present.

President Friedman passed the Sight Glass report on to the second board meeting on Saturday morning. She congratulated Editor, Karen Krepcik, for the Sight Glass being an award winner again this year.

RSESA-20
The “To Make Life Worthwhile Award” was presented to Region 9 for their donations/care packages to the Children’s SPOT (speech, physical, occupational therapy). Denise will be giving you a check for $25.00 to aid your community service.

We recognized J.R. “Dick” Burks, Nell Rhoton and Verna Jean Snow for being 25 year members.

We observed a moment of silence for those we have lost this year.

Denise Ziegelbein moved that we make a donation of $100.00 to the Wonder Kids. Barbara Frase seconded. Motion carried.

May Stewart moved that we donate $100.00 to Mid Southeast Regional Association Auxiliary. Lyn Sherman seconded. Motion carried.

The slate of officers presented by the Nominating Committee is as follows:
President – Pat McCarthy
Vice President – Gail Paschal
Secretary – Barbara Frase
Treasurer – Denise Ziegelbein
Historian – Bonnie Johnson
Sergeant At Arms – Ray Clary was nominated by Pat McCarthy, seconded by Karen Krepcik. Nomination accepted.
Credentials – Darlene Baker
Publicity – Terry Hollander
Membership – Sandy Ralston
Officers Activities – Lyn Sherman
Chapter Supplies – Lynn Hoke nominated by Karen Krepcik, seconded by Pat McCarthy. Nomination accepted.

After calling for nominations from the floor, the slate of officers was accepted by unanimous vote.

Treasurer Ziegelbein will be available to accept dues after the meeting. President Friedman thanked the board of directors and officers for serving and discharged her committees.

We adjourned at 10:30 am.

Gail Paschal, International RSESA Secretary
RSESA-21
Beginning Ceremony Fifes and Drums make their way to front and center stage at Norfolk, Virginia. In 1778, Virginia needed soldiers to protect the Capitol City of Williamsburg. The General Assembly established the Virginia State Garrison Regiment, which served in the Tidewater area of Virginia, stationing troops at Hampton, Yorktown, and Williamsburg. The Fifes and Drums appear in more than 700 performances each year. Colonial Williamsburg is justifiably proud of each of these truly remarkable young Americans, past and present. They have come to symbolize what is best about our community, our history, and our museum. If you would like to purchase a video or see their performance schedule visit the web sight www.history.org/History/fife&drum/about.cfm
Meets 1st Wednesday each month

RSESA-23
It’s that time of the year, which is to update everyone on what’s been happening with me since the last issue of the Sight Glass. At the end of February, I made my annual pilgrimage down to Texas. I flew into Austin, and then drove up to Fort Worth, where I spent some time with Mac & Pat. It was good getting away for a few days, to have fun & reconnect with friends & relatives. One of my nieces lives in Austin, and my parents came down as well.

They’ve heard about the great people in Region 10 for a long time, so I figured that it was time for them to put faces with the names & stories. They seemed to have had fun, and were welcomed like I knew they would be. Some of the people down there were surprised that someone as nice as my parents could have someone like me for a son (as Rodney Dangerfield used to say, “I don’t get no respect”). As always, the Austin Chapter did an outstanding job of putting on a Conference. Work is going good, and I’m still travelling a bit. At the end of March, my Mom had a knee replacement done, and then went to a Rehabilitation Facility, where she’s doing great. Hopefully, by the time that you read this, she’ll be home.

I’d also like to put in a word on behalf of the International Nominating Committee for people to serve on the Board, starting in November. Please give considerable thought to serving in a position there. You will always have people to assist & mentor you. If you have any desires to serve, please don’t hesitate to contact anyone on the Board (contact information is in the front of this issue) and state your desire to serve. If you’re contacted by someone to serve, then please think on it very carefully. It’s a very rewarding experience, to get involved in an outstanding organization. I’ve been a member (of the other side of RSES) for almost 31 years (it doesn’t seem possible that it’s been that long; I must have joined when I was still in the crib), and of the Auxiliary for 10. With that much experience, I can, without any doubt, state that both sides of RSES are outstanding and are comprised of great people. There are people on both sides that are just like family to me.

I’d also like to also put in a word about communications. In this day of emails, it’s hard to think that not everybody checks theirs regularly. I check mine at least daily, and sometimes as much as 2 to 3 times a day, due to getting so much mail (a lot of it is just ads and/or spam, as well as
jokes and correspondence with friends/relatives). However, I know of people who only check theirs once a week, or even once every 2 to 3 weeks (especially if they’re travelling). If you send someone an email, but don’t hear back from them in a timely manner, then either email them again, or call them (phones do still work, believe it or not). It’s also possible that they didn’t get your message. In this day of free long distance, not only is it a good way to communicate with each other, it’s also a good way to know that they got your message. If you go that route, please don’t forget about the time differences. If they’re known to travel, then they might possibly be as much as 3 to 5 hours (or more) different than normal (east coast versus Hawaii, or west versus east coast). If you wake them up too early, or get them up after they’ve gone to bed, they might not be in a very good mood.

See you down in Isle of Palms (Charleston) S.C. in November,

Ray Clary, CMS

A chance to meet and relax at the SWRA Conference 2012.

2012 Annual Conference
November 14-17
Wild Dunes Resort in Isle of Palms,
South Carolina

Held in conjunction with the 75th Annual RSES International
Conference HVACR Technology Expo
For further information or to find a local chapter in your area visit
www.rses.org
Located across the Arthur Ravenel Jr. Bridge in Mt. Pleasant, about ten miles from downtown Charleston, antebellum Boone Hall Plantation, listed on the National Register of Historic Places, is one of the oldest working, living plantations in the United States. The plantation's Avenue of Oaks, first planted in 1743, is a picturesque three-quarter mile drive lined by majestic live oak trees, forming a tunnel of seemingly sculptural branches embellished with cascading Spanish moss.
Thanks to all of you that sent cards, made calls to us and your prayers. The kidney transplant happened January 10, 2012. Bob woke up from surgery feeling so much better right away. Diane was more sore than she had expected. Both of us are feeling good and just so happy that transplant was a success and we are back to healthy lives.

Looking forward to next year’s conference and seeing everyone.

Diane & Bob Smith
Happy Spring Everyone,
Even though we haven’t had much of a winter, it is still nice to see spring appear. The flowering trees, green grass, and birds singing, it’s one of my favorite times of the year. I have been busy working on a quilt for a wedding gift for nephew who is getting married in July.

I want to say “Thank you” to Karen and Skip for all the hard work and time they put into the conference in Norfolk. We had a great time despite the weather. After the conference, Mike and I did the “historical Virginia” thing. We went to Yorktown, Colonial Williamsburg, Jamestown Settlement, then headed north to Mt. Vernon, then to Charlottesville to see Monticello. History is a lot more interesting when you can see where so much happened. It also makes you appreciate the “modern” conveniences we take for granted.

Have a Safe and Happy Summer,

*Sandy Ralston, Director of Membership*

The 2012 RSES conference will deliver a total learning experience for: heating, ventilation, air conditioning and refrigeration contractors; service technicians; operations/maintenance managers, engineers and technicians; engineers; sales staff; instructors; and students.

Supporter for the Annual RSES International Conference

Be sure to make plans now and Attend the 2012 International Conference

Both Lyn Sherman and Mike Eckstein are recovering from surgery. We wish you both well. Be sure to send them a card of encouragement.

Many of you may not be aware that our Son’s wife has been suffering from the worse kind of lupus. As her organs continue to being affected by the attack from this disease we spend a great deal of time at the Hospital. The last couple of years have been brutal and we never know what to expect. My heart goes out to anyone that has to deal with the stress and strain of taking care of someone you hold dear to you with out being able to bring them any relief or comfort from the pain. Please bare with me as I try to keep up on the Sight Glass. As for those of you that contribute articles, thank you for getting them to me as soon as possible.

Again, Thank you for being so patient with me on getting the Sight Glass issues mailed out.

Sight Glass Editor, Karen Krepcik
I’m not sure I want to follow in their foot steps. Looks as though both Pat and Gail could use some help! Not to worry they made it back to Norfolk for the Conference. (photo from Williamsburg, Virginia)

Gail Paschal and Pat McCarthy, Our New Leaders before they were sworn into office for 2012.
