AWARD GUIDELINES:
The awards will be given for community service that is non-sectarian and free from any political affiliations as specified by our Constitution and Bylaws.

The community service could include volunteer hours, donated items, fund raising or other like qualified services.

An Auxiliary member may have their community project judged in only one category. Examples:
Individual members who are a member of a Region have two options.
1. They may apply as an individual member.
2. They may include their community project in their Regional Auxiliary application.

Chapter members who are members of a Region have three options:
1. They may apply as an individual member.
2. They may apply as a Chapter.
3. They may include their community project in their Regional Auxiliary application.

The judging for the awards will be the responsibility of three International Auxiliary Officers: preferably the President, Vice President and Secretary. If one of these Officers is unable to serve, another Officer will be asked to serve as an alternate.

The applications for the various awards should be sent to the three judges no later than forty-five (45) days prior to the International Conference. This time is needed for proper judging and preparation of the award plaques for presentation at the annual Conference.

These award guidelines are to be considered policy, and are not a part of the Bylaws. These guidelines may be added to or deleted from with a majority vote of members present at the Auxiliary business meeting.
