EVAPCO Alcoil

EVAPCO Alcoil is the leading manufacturer of MicroChannel heat exchanger coils for the Replacement Market. Our robust materials of construction are designed to withstand thermal cycling. All coils are E-Coated for corrosion protection. We stock coils for Carrier and York Chillers. www.evapco-alcoil.com or (717) 347-7500. **Circle 115 on the reader service card.**

Test Products International

Analyze combustion efficiency with your smart phone and the TPI DC710. Combine your smart phone and TPI app with the affordable and easy-to-use DC710 to calculate CO₂, CO air free, excess air, and efficiency. Easily text or email results directly and instantly to client. Measure temperatures -50°C -1000°C/-58°F-1832°F. Bluetooth, USB input, real-time clock, magnet and hook mounting, and rechargeable battery. DC710, \$449.95 Suggested trade price, www.testproductsintl.com. **Circle 119 on the reader service card.**

Fieldpiece Instruments

The new MR45 Recovery Machine features a smart, variable speed one-hp dc motor that minimizes liquid slugging and maximizes vapor recovery. The digital display is precise and easy to see, and the electronics are well protected for use in the rain, cold, and heat. Lightweight at only 22 lb, MR45 is also rugged with rubberized housing and rail slides for extra protection. www.fieldpiece.com. **Circle 116 on the reader service card.**

Test Products International

The DC580 Airflow Meter from TPI. Hot-wire and vane anemometer for easily balancing of commercial and residential HVAC systems. Measure air velocity and temperature simultaneously. Record minimum, maximum and average; with multiple measuring units: m/s, km/h, ft/min, knots, mile/h. Download data to TPI smart phone app using built-in Bluetooth. \$149.95-\$219.95 Suggested list price. Visit www.testproductsintl.com. **Circle 120 on the reader service card.**

NATE

HVACR certification matters. Get an edge on your competition with North American Technician Excellence (NATE). NATE is the only HVACR certification organization developed by the industry, for the industry. Visit nate.org to learn more about the Ready to Work and HVAC Support tests, NATE certification and the Senior Level Efficiency exam. **Circle 117 on the reader service card.**

Testo

The testo 552 digital micron gauge is feature-rich and ideal for monitoring the evacuation of air conditioning, refrigeration, and heat pump systems. Precise deep vacuum measurements, measure down to single digit resolutions using optimized Pirani sensors. Wireless Bluetooth communication to smart phone or tablet provides powerful analysis and reporting. **Circle 118 on the reader service card.**

ESSENTIAL ELEMENTS...

more content, products and services FOR THE HVACR INDUSTRY

RSES Journal is more than just a magazine! Did you know you can receive *RSES Journal's* supplemental eNewsletters for free? **Elements** provides subscribers with monthly technical stories, case studies, white papers and products/services not featured in the printed magazine; and **Essentials** showcases some of the latest industry products and services to hit the market each quarter.

Want to sign up?

Simply visit www.rses.org/requestinfo.aspx, fill out the form, and select the "Elements Jan 2010" and "RSES Journal Essentials 2011" check boxes. Be sure to click the "Sign Up" button at the bottom of the page when you are finished!
