Fieldpiece Instruments

With the latest version of the Job Link app, existing Fieldpiece wireless tools can be used up to 1000 ft away to measure, test, and report findings to a mobile device. Take advantage of this long, industry-leading wireless range with tools you already have! Our tools document electrical readings, pressures, and temps in one report to verify system efficiency. Visit www.fieldpiece.com for information. **Circle 115 on the reader service card.**

ESCO + RSES

ESCO + RSES proudly present, the HVACR Learning Network! HLN provides access to a library of industry-leading titles and subscription options from ESCO Institute, RSES as well as other educational partners from a singular source. Access digital curriculum, immersive learning, streaming videos, webinars, industry news and more! Visit hvacr.elearn.network. **Circle 116 on the reader service card.**

HVACR Excellence

So you thought you missed the 2021 virtual National HVACR Educators and trainers Conference? Think again! You can still purchase access to more than 130 events for the unbelievably low price of \$129.95.

Access show sessions as many times as you would like for 120 days. Don't miss out on this opportunity to "attend" the show. Visit bit.ly/2N8uQZu. **Circle 117 on the reader service card.**

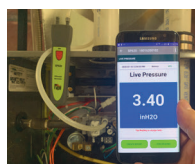

MARS/Heat Controller

Commercial WSHP: MARS/Heat Controller has one of the largest inventories of Commercial Water Source Heat Pumps available—from 0.5 Ton to 10 Ton in stock, and larger units built-to-order. Available in vertical, horizontal, and console applications; in 208/230V, 265V, 460V, and 575V configurations; and in both standard and extended range. **Circle 118 on the reader service card.**

RSES Journal

Are you an HVACR professional who knows others who could benefit from their own copy of *RSES Journal*? Pass a one-year subscription to them at no charge! Send your colleagues to tinyurl.com/RSESJournalFree as a birthday gift, work anniversary or to simply knowledge share. Simply fill out the form and start learning today! **Circle 119 on the reader service card.**

Test Products International

See Pressure Readings on Your Smartphone or Tablet. The powerful, yet easy-to-navigate, TPI View App from Test Products Intl., Inc. (TPI) makes it easy to take pressure readings with a Smart Probe and smart device. The SP620 pressure probe is one of many TPI Smart Probes designed for HVAC applications including: combustion, airflow, temperature, CO and CO₂. Visit www.testproductsintl.com. **Circle 120 on the reader service card.**

TOOLKIT SOLUTIONS...

RSES Journal is more than just a magazine!

Did you know that you can receive *RSES Journal's* supplemental eNewsletters for free?

Solutions provides subscribers with monthly technical stories, case studies, white papers and products/services not featured in the printed magazine; and **Toolkit** showcases some of the latest industry products and services to hit the market each quarter.

Want to sign up?

Visit www.rses.org/requestinfo.aspx, fill out the form, and select the **Solutions** and **Toolkit** check boxes.

Be sure to click the "Sign Up" button at the bottom of the page when you are finished!
